$\checkmark$ Write two compound sentences using your spelling words. Use a variety of spelling words.
$\checkmark$ Underline the spelling words.
$\checkmark$ Include at least one adjective in each sentence. Circle the adjective.

```
Coordinating conjunctions include:
```

and
but
or
$\checkmark$ Remember to skip a line between each sentence.
$\checkmark$ Sentences should be written neatly with proper spacing between words.
A compound sentence is a sentence that contains two independent clauses joined together by a comma and a coordinating conjunction.

Ex. My mom likes to bake, and I like to help her.
Aaron likes to play soccer, but Gannon prefers to play baseball.

## Complex Sentences Homework

$\checkmark$ Write two complex sentences using your spelling words. Use a variety of spelling words.
$\checkmark$ Underline the spelling words.
$\checkmark \quad$ Include at least one adjective in each sentence. Circle the adjective.
$\checkmark$ Remember to skip a line between each sentence.
$\checkmark$ Sentences should be written neatly with proper spacing between words.
If your sentence starts with a dependent clause, be sure to include a comma after the clause.

There is no comma if the dependent clause is at the end of your sentence.
Ex. Because you were late, you missed the math test.

You missed the math test because you were late.

## Spelling Sentences

Directions:

- Using your spelling words write a sentence for each sentence type.
- Each sentence should have at least five words.
- Include at least one adjective. Neatly circle the adjective.
- Start on a line that has a top line and a base line.
- Underline the spelling word.
- Don't forget to use capital letters and punctuation.

Declarative - a statement; is telling something and contains one thought about a person, place, or thing

Interrogative - a question; is asking about someone or something
